My dear Sam.

I have just telegr'd you that I have sent you $800. in money in addition to the acceptances amtg to $6.014.70 = $6814.70 so that I prefer to wait here 10 d. offer for stock unsettled we can have another conference - personal. I think we had better have a clear understanding. give 20 days additional time for me to pay in their assessments. and then if any are delinquent permanently sell and buy. I presume that all the shares which Mr. Comell can get in have already been deposited as he has certainly been time enough. He said he thought he could get 75.000 shares. and I should have sent that whole number cheerfully. I really expected 50.000 when I came home. I am looking forward to getting the Baker Co business into shape and Tombstone report issued by middle of August and giving you soon after the date of the annual meeting of Sponge Co. to buy. I do like it very acceptable Congratulations to Jos. Dan Hang & Anna. all well. Ever affy W. J. Cheyney
